

MEMORANDUM

TO: Governor Gordon  
Secretary of State Buchanan  
Auditor Racines  
Superintendent Balow  
Senate President Perkins  
House Speaker Harshman

FROM: Dawn Williams, Deputy State Treasurer

DATE: June 3, 2020

SUBJECT: Investment Earnings Status Report

Pursuant to 2020 Wyoming Session Laws, Chapter 80, Section 2, Section 004, Footnote 1, I provide the following information:

- (i) *The monthly and fiscal year status of all distributions and transfers of state funds required by law to occur during this period and the expected date for the completion of the distributions and transfers;*

Distributions for the second (October-December) and third (January-March) quarters of FY2020 will occur this month, as will the April and May monthly distributions and the FY2019 payable.

- (ii) *The monthly and fiscal year status of investment earnings, interest, dividends and realized and unrealized gains and losses for each of the investment pools under the control of the state treasurer's office and each investment manager under contract with the state treasurer's office;*

These reports are posted to the STO website monthly. The most recent report is for the month of December, 2019 and can be found here:

<https://statetreasurer.wyo.gov/assets/reports/portfoliostatus12312019.pdf>

The portfolio status reports are posted as months are reconciled.

- (iii) *Any issues, including delays, identified by the state treasurer's office related to investment and accounting of funds under the control of the state treasurer's office and any actions planned to address the identified issues.*

We have retained our CLA consultant through June. We are still on track to be caught up before fiscal-year-end. Second and third quarter distributions will be completed in June in one transaction; a separate transaction will be completed for distribution if the FY19 payable. In addition, we will make April and May distributions, as is our normal practice in anticipation of year-end.

STO is conducting daily calls with JP Morgan to ensure deadlines are met and timelines are followed. We are on track to meet our goals.

Katie is still working an inordinate amount of overtime to keep the project on target.
